

## Clear Peak Capital selects CYMBA Technologies Athena Investment Management System (IMS)

**London, 1<sup>st</sup> July, 2014** – **CYMBA Technologies**, the fast growing provider of high-performance Multi Asset Class Investment Management solutions has today announced that **Clear Peak Capital** has selected CYMBA's Athena IMS for its Portfolio Management, Pre & Post Trade Compliance, Order Management, Trading and Operations functions. The deployment of Athena will enable straight through processing of all orders and ensure a fully compliant, audited, accurate and efficient workflow process.

The selection of CYMBA's Athena platform by **Clear Peak** was driven by a number of key business drivers which will provide their Clients with the security, audit, transparency, STP and scalability required within an Investment Manager and Front Office platform.

**Clear Peak selected CYMBA Athena IMS for its Fund Launch after conducting a thorough vendor comparison exercise.**

**Fiona Laver**, Chief Operating Officer of Clear Peak commented:

"We were impressed by CYMBA's clear understanding of the front office functionality we required as a small authorised UK AIFM. The team's willingness to respond quickly and effectively as our system specifications developed, combined with a dynamic and knowledgeable implementation team, made for a seamless process in the run up to our fund launch. The inherent flexibility of Athena should support the growth of our business over the coming years.

**Karim Ali**, Managing Partner at CYMBA commented:

"We are delighted to welcome Clear Peak Capital as a new CYMBA client, further demonstrating our ability to become the OMS/PMS technology partner of choice for new fund launches. Having made a strong start to 2014, it was important for to us to keep the momentum going. We look forward to a long and mutually beneficial partnership."
